Inclement Weather and Parent Communication

We use the *Remind* app for important parent communications. In order to receive these communications from aquatics staff, please text **@cogalc to 81010**. You will receive mass communications via text message or you can download the *Remind* app from the App Store or Google Play.

During severe weather such as excessive rain, flooding, hail, tornado, hurricane, etc., please call the administrative office at 352-334-5067 for information regarding your child. In the event the program has to be evacuated, all parents will be contacted as soon as possible to inform you of your child's safety and location. If camp is canceled for any emergency, a PRCA representative will notify you by phone.

Camper Code of Conduct

As a camper, I will:

- Show respect to other participants, and treat them as well as I would like to be treated.
- Show respect to staff, and cooperate fully with their instructions.
- Know and follow the rules of the camp.
- Respect the rights and beliefs of others, and treat others with courtesy and consideration.
- Communicate in an appropriate manner, which means I must not use foul language or gestures, harsh words or tone of voice.
- Conduct myself responsibly. I understand that horseplay, unwelcome teasing or other unkind behaviors are not allowed.
- Refrain from deliberately causing bodily harm to other participants or staff. I understand that pushing, kicking, hitting or fighting are not acceptable and will not be tolerated.
- Use program equipment, supplies, and facilities properly.
- Respect the property of others.
- Be fully responsible for my actions and understand that irresponsible behavior will result in disciplinary action.

The code of conduct is designed to ensure that all participants have a safe and happy summer camp program experience.

Discipline

This policy is enforced to ensure a safe, professional and organized program and to help each participant learn and grow as a responsible person in a fair and consistent manner. If a child shows consistent disregard for the program's rules, the following disciplinary steps will be followed:

- 1st Offense:** Verbal Warning and written report
- 2nd Offense:** Restrictions and written report – Conference with parent/guardian
- 3rd Offense:** Written Report and Suspension. One (1) to five (5) days mandatory suspension depending on the nature of the incident, and /or how many times the child has been disciplined.
- 4th Offense:** Written Report and involuntary withdrawal – parent conference to inform the parent/guardian the participant will be withdrawn from the program for a period of six days or more, but not to exceed 1 year.

All disciplinary actions are at the discretion of the staff on site at the center. If the staff member feels that the violation is severe enough, he/she can make the first disciplinary action suspension.

All disciplinary actions shall include standards that prohibit children from being subjected to discipline which is severe, humiliating, frightening, or associated with food, rest, or toileting. Spanking or any other form of physical punishment is prohibited by all childcare personnel.

There is a zero tolerance for the following behaviors. These actions will result in suspension or expulsion:

- Possession of illegal drugs, alcohol, and/or tobacco
- Possession of firearms or any recognized weapon
- Possession of fireworks or explosives to include but not limited to firecrackers, rockets, sparklers, party poppers, etc...
- Behaviors or comments suggesting discrimination
- Fighting
- Making threats
- Bullying
- Stealing
- Inappropriate language, behavior or comments of a sexual nature

Cell Phones and Electronics

Use of cell phones and other electronic devices is prohibited during camp activities. Cell phones may be used at meals and break time and at the end of the day. Campers are solely responsible for cell phones. The City of Gainesville does not assume any responsibility for any cell phones or personal equipment brought from home that are lost, broken, or stolen, while at the camp.

Sick or Ill participants

For the safety of all campers we ask that sick children be kept at home. If your child has diarrhea, is vomiting, has head lice or ring worm, they must be picked up immediately. A doctor's note will be required for them to return to camp. Staff is not allowed to administer medications.

Medications

The City of Gainesville is not responsible for administering medications. Arrangements must be made to have medications administered to the campers by a parent/guardian.

Photography

To promote the City of Gainesville Parks, Recreation, and Cultural Affairs Department and its programs, we prefer to photograph or film the campers while they are active in our programs. Many times, television, newspaper, and outside camera crews will ask permission to take pictures or to film the participants during various activities.

As a parent/guardian, signing the household registration form gives your consent to have your child photographed or filmed and relinquish all rights, title, and interest in the finished photographs, tape, and negatives to be used for publicity purposes for the City of Gainesville Parks, Recreation, and Cultural Affairs Department.
