

## NE 31st Avenue Park Future Park Improvements

Your feedback is important to us. Thank you for taking the time to give us your feedback on NE 31st Avenue Park, located at 1700 NE 31st Avenue; north of NE 31st Avenue, east of NE 15th Street, and adjacent to the Flatwoods Conservation Area.

On November 8, 2016, Alachua County voters approved "Wild Spaces and Public Places (WSPP)," a one-half percent sales tax to be collected in the county from January 1, 2017 to December 31, 2024, to acquire and improve environmentally sensitive lands and to create, improve and maintain parks and recreational facilities. Improvements to NE 31st Avenue Park is a Wild Spaces and Public Places project.
