PERMIT ASSIGNED TO VEHICLE

Only one permit can be issued per vehicle. Permits are vehicle specific and cannot be transferred to another individual or vehicle. Vehicle is registered with the City's Finance Department at the time of application for a decal. In case decal privileges are revoked for a specific vehicle, such vehicle will receive a citation each time it is found parked on-street in the Program Zone.

New Vehicle - New Tag or Same Tag
(See Code of Ordinances Appendix A for fees)

New Tag - If a new tag number is issued to you, you must notify the City's Finance Department of this change by calling (352) 334-5024. Notification could save you an unwanted citation.

LOST/STOLEN PERMITS

If permit is lost, stolen or damaged, proof must be submitted of decal or permit purchase (i.e., receipt, decal remnant or tag number of vehicle). The old permit will be voided. A citation will be issued each time a voided permit is found in use. There will be a replacement fee (see Code of Ordinances Appendix A)

APPEALS BOARD

The Appeals Board will:

1. Hear appeals from property owners, managers or other affected individuals who allege a hardship is created by the regulations due to unique conditions associated with their property or its residents;
2. Reinstate revoked permits.

**My permit has been revoked.
How do I appeal?**

Submit appeal in writing to the City within 10 days of receipt of notification of revocation of privileges, and pay a fee. If the permit is reinstated the fee will be refunded in full. If the Board revokes the permit for the remainder of the program year, appellant must return the decal or permit to the City, and pay a Reinstatement Fee for the next program year.
