THE RECYCLING SOURCE

The City of Gainesville's guide for recycling & disposal

By Joni Rollen

This guide is brought to you by the City of Gainesville Solid Waste Division to heighten your awareness as to what can be done with unwanted items. It is our intent that you will be able to find alternative ways to try and recycle unwanted items in some form or another and if not, then at the very least, the proper place and way to dispose of them.

THE RECYCLING SOURCE

The City of Gainesville's guide for recycling & disposal

Aerosol Cans

Steel aerosol cans such as hair spray, bug spray, or spray paint

These may contain hazardous waste. DO NOT dispose of partially full cans with regular garbage! Never burn aerosol cans, even if they are empty since they may explode.

EMPTY hazardous aerosol cans are safe to dispose of in the trash. Other household EMPTY non-hazardous aerosol cans such as hairspray, cooking spray and air freshener spray can be put in your curbside recycle bin.

- 1. Use it up.** As noted above, you can safely *throw away* an **EMPTY** aerosol can that contained hazardous material. You can *recycle* an **EMPTY** aerosol can that contained household products in your **blue bin at curbside**.
- 2. Drop it off.** If a hazardous or non-hazardous aerosol can contains product you can take it (free for residents) to be recycled at the **Household Hazardous Waste Collection Center at 5125 NE 63rd Avenue, (352) 334-0440** or any of the **Alachua County Rural Collection Centers** at no charge (always call for details). They are open Monday, Tuesday, Friday & Saturday from 7:30 am to 5:30 pm:

Alachua/High Springs	16929 NW US Hwy 441	(386) 454-2563
Archer	19401 SW Archer Rd	(352) 495-3257
Fairbanks	9920 NE Waldo Rd	(352) 334-3873
North Central	10714 NE SR 121	(352) 334-3875
Phifer	11700 SE Hawthorne Rd	(352) 334-3874

- 3. Businesses** (conditionally exempt small quantity generators) can drop off aerosol cans at the **Household Hazardous Waste Collection Center** (fee charged). Large businesses with larger quantities can contact a chemical waste disposal firm directly.

Aluminum Cans

Clean, empty aluminum cans

1. **Recycle at curbside** or drop off at **Recycling Materials Recovery Facility (MRF), 5120 NE 63rd Ave., 548-1341** or any of the **Alachua County Rural Collection Centers** at no charge (always call for details). They are open Monday, Tuesday, Friday & Saturday from 7:30 am to 5:30 pm:

Alachua/High Springs	16929 NW US Hwy 441	(386) 454-2563
Archer	19401 SW Archer Rd	(352) 495-3257
Fairbanks	9920 NE Waldo Rd	(352) 334-3873
North Central	10714 NE SR 121	(352) 334-3875
Phifer	11700 SE Hawthorne Rd	(352) 334-3874

2. **Sell** to a metal recycler. The following companies buy aluminum cans:

Name	Address	City	Phone
Trademark Metals Recycling	817 NE Waldo Rd.	Gainesville	(352) 373-6354
Commercial Metals	1508 NW 55 th Place #2111	Gainesville	(352) 375-0224

3. **Businesses** should ask their contracted garbage hauler to provide recycling containers. There is a mandatory commercial recycling ordinance (Sec. 27-85) for the City of Gainesville. Businesses can also sell their aluminum to the above companies to help raise money for charities, Christmas parties, etc.

Animals, Dead

Domestic or wild

NOTE: Do NOT dispose of dead animals in the regular garbage or in a commercial dumpster! Use caution in handling or transporting a dead animal. Wear protective clothing including gloves and place animal into a heavy-duty garbage bag.

To report a dead animal on the road or public right-of-way:

1. State road – Call the **Dept. of Transportation** at (352) 381-4300
2. County road – Call **Road and Bridges** at (352) 548-1215
3. City road – Call **Solid Waste Division** at (352) 334-2330

Report injured bear, panther or eagle (endangered species only) to:

Florida Fish and Wildlife Conservation Commission's Wildlife Alert at 1-888-404-3922.

Dead domestic & wild animals on private property:

1. Bury the animal (at least 3 feet underground)
2. Call **Critter Control** at **(352) 372-3922** (fee charged)
3. Cremation for beloved domestic animals from 1 to 120 lbs (call for fee ranges) at **Alachua Co. Animal Services** at **(352) 264-6870**.

Antifreeze

Ethylene glycol coolant used in vehicle radiators

**This is hazardous waste. Do NOT dispose with regular garbage!
Never leave a puddle of antifreeze on the driveway or leave a bucket of antifreeze unattended. It can be fatal to children or pets.**

1. **Drop off** (free to residents) at the **Household Hazardous Waste Collection Center, 5125 NE 63rd Avenue, (352) 334-0440** for recycling or any of the **Alachua County Rural Collection Centers** at no charge (always call for details). They are open Monday, Tuesday, Friday & Saturday from 7:30 am to 5:30 pm:

Alachua/High Springs	16929 NW US Hwy 441	(386) 454-2563
Archer	19401 SW Archer Rd	(352) 495-3257
Fairbanks	9920 NE Waldo Rd	(352) 334-3873
North Central	10714 NE SR 121	(352) 334-3875
Phifer	11700 SE Hawthorne Rd	(352) 334-3874

2. **Businesses** (conditionally exempt small quantity generators) can also drop off antifreeze (for a fee) at the **Household Hazardous Waste Collection Center**.

Appliances

Electric or gas-powered device such as stove, refrigerator, air conditioner, Washer, dryer, dishwasher, freezer, water heater, etc. (also called “white goods”)

1. **Donate** to the retailer. Ask them to haul away your old appliance when they deliver the new one. This is the simplest method of recycling appliances.
2. **Donate** working appliances that are in good condition to a person or non-profit organization (always call first for specifics):

Name	Address	City	Phone
Salvation Army Thrift Store	55 NW 23 rd Ave.	Gainesville	(352) 373-5797
Alachua Habitat For Humanity Resale Center	2317 SW 13 th St.	Gainesville	(352) 373-5728

3. **Donate** through www.freecycle.org. This is a free website for people or organizations to give away (recycle) unwanted items. Sign up for the local Gainesville group.

4. **Sell** working appliances through the newspaper, yard sale, or a secondhand dealer. The following businesses will buy scrap metal (call for details & specifics):

Name	Address	City	Phone
Commercial Metals	1508 NW 55 St. #2111	Gainesville	(352) 375-0224
Trademark Metals Recycling	817 NE Waldo Rd.	Gainesville	(352) 373-6354

5. **Dispose.** Please do not cut or damage the lines in the back of units containing refrigerants (such as refrigerators, freezers, air conditioners, etc.) to prevent release of harmful chemicals. Always tape or rope doors shut or better still, take the doors off the appliance when placing at the curb to insure the safety of small children and pets.

6. City of Gainesville residents with curbside service can call the **Solid Waste Division** at **(352) 334-2330** for a white goods pickup (no charge). White goods (appliances) will be scheduled for the same day as your regular garbage pick-up. Call before 2:30 pm the day before your regular garbage day to insure getting scheduled, otherwise you will have to wait until the following week on your garbage day.

7. Alachua County residents with curbside service can call **Alachua County Waste Collection at 338-3233** for pickup and specifics.

8. All residents of Alachua County can take their appliances to the select Alachua County Rural Collection Centers. They are open on Monday-Tuesday-Friday-Saturday from 7:30 am to 5:30 pm. The ones that take appliances are:

- A. Phifer – (352) 334-3874
- B. Archer – (352) 495-3257

9. **Businesses** (conditionally exempt small quantity generators) can sell or donate their *in good condition* appliances to the above locations or take their appliance to the **Environmental Park & Transfer Station, 5125 NE 63rd Ave, (352) 334-0176** (Fee Charged) for disposal.

Asbestos

Fireproof items made of asbestos such as certain insulation, shingles, siding, or linoleum

This is hazardous waste. DO NOT dispose in regular garbage. Special handling required.

CONSULTING & TESTING:

American Management Resources Corp.	8503 SW 152 Ave	Archer	(352) 495-8266

DISPOSAL:

Dispose at the **New River Landfill**, Raiford, FL., (386) 431-1000. Call for prior approval, hours, disposal fee and directions.

REMOVAL:

1. Call **Florida Dept. of Environmental Protection**, Marc Lovallo at (904) 256-1566 for information and instructions on asbestos removal, or (904) 256-1700 for the front desk/general information.

2. Asbestos removal contractors:

Alachua Environmental Services	MacClenny	(904) 259-6200
Simpson Environmental Services, Inc.	Trilby	(352) 583-2509

Batteries – Alkaline

Single- use household batteries (Not rechargeable)

NOTE: Alkaline batteries are **safe to dispose** in the regular trash. However, it's better to recycle them if possible, and/or replace them with rechargeable batteries.

Batteries – Button Cell

Small round batteries (resembling a coin) found in items

Such as hearing aids, calculators, cameras, laser pointers, and watches

These are hazardous waste. Do NOT dispose with regular trash!

1. **Drop off** at the **Household Hazardous Waste Collection Center**, 5125 NE 63rd Ave, (352) 334-0440 or call for drop off locations (free for residents).
2. **Check with** your local jewelry, camera or watch repair store, which may accept button cell batteries.
3. **Businesses** (conditionally exempt small quantity generators) can drop off batteries at the **Household Hazardous Waste Collection Center** (for a fee). Call for information.

Batteries – Rechargeable

*Nickel cadmium (Ni-Cd), nickel hydride (NI- MH), lithium ion (Li-ion)
And small sealed lead (Pb) batteries found in cordless items such as
laptop computers, power tools, toys, cameras, radios, and phones*

These are hazardous waste. Do NOT dispose with regular trash!

1. **Drop off** at the **Household Hazardous Waste Collection Center, 5125 NE 63rd Ave, (352) 334-0440** or any of the **Alachua County Rural Collection Centers** at no charge (always call for details). They are open Monday, Tuesday, Friday & Saturday from 7:30 am to 5:30 pm:

Alachua/High Springs	16929 NW US Hwy 441	(386) 454-2563
Archer	19401 SW Archer Rd	(352) 495-3257

3. **Businesses** (conditionally exempt small quantity generators) can drop off batteries (for a fee) at the **Household Hazardous Waste Collection Center**. For large amounts of rechargeable batteries try **Metal Conversion Technologies, LLC**, (678) 721-0022, www.metalconversion.com. There is a cost.

Batteries – Vehicle

Lead acid batteries found in vehicles including cars, trucks, motorcycles, boats, scooters, Wheelchairs, golf carts, riding lawnmowers, and children’s riding toys

These are hazardous waste. Do NOT dispose with regular trash!

1. **Recycle** at an automotive parts retailer (such as **Sears, Wal-Mart, Auto Zone, NAPA, Discount Auto Parts, CARQUEST, Pep Boys**, etc.). You save money by turning in your old battery when you buy a new one. This is a state “core charge” to discourage people from trashing vehicle batteries. **NOTE:** You pay this fee only if you don’t turn in your old battery.

2. **Drop off** at **Interstate Battery, 2442 NW 66 Ct, (352) 372-0133**. No Charge

3. **Trademark Metals, 817 NE Waldo Rd, (352) 373-6354** will pay you a small amount of money, depending on the type of vehicle battery.

Phifer	11700 SE Hawthorne Rd	(352) 334-3874

Note: All items must be from “do-it-yourself” home interior projects when disposing at the curb. If a contractor does the work then they are responsible for disposing of the materials.

Also See: [Construction debris Bulk Items](#)

Bulk Items

*Large items that don't fit into the curbside garbage cart
Such as a vacuum, mop, lamp, furniture or carpet*

All City of Gainesville and Alachua County residents with curbside service no longer have to schedule for a bulk pickup, but they still have to call and schedule their “White Goods” (large appliances) to be picked up.

City of Gainesville residents can put their legal bulk items out before 7 am on their regular garbage day. Smaller items that can fit will go with the garbage and larger items will be put on a list for another truck to come by to get later. Check with customer service, (352) 334-2330 if you are unsure of a bulk item you wish to put at the curb.

Grease / Cooking Oil / Vegetable Oil

Used or unused oil or grease (such as salad dressing or bacon fat)

1. **Household:** Pour hot grease or oil into a container (such as an empty soup can). When grease has cooled, place container into the regular trash. If you use a container you want to keep (such a coffee mug), you can transfer the cooled grease to a plastic zip lock bag and throw it into the trash.

NOTE: Never pour grease or oil down the drain. This clogs up the City of Gainesville drainage system as well as creates problems for our waterways.

2. **Business** should call a local grease or septic hauler for grease pumping or picking up used oil. Here are some suggestions:

Beltz Liquid Waste Management, Inc	14260 W Newberry Rd #346	372-7448
Myers Septic and Well Drilling	224 NE 16 th Ave	378-2375

Latex Paint

Water-based latex, vinyl, or acrylic paint in a spray or can

NOTE: Latex paint CANNOT be disposed in the regular trash because it is a liquid. It is safe to throw away **empty/dry** paint cans. However, if **liquid** paint remains in the can, please use it up, donate it, or dry it out before putting it in the trash.

How to dry paint: Use an open, secure, sheltered area – away from flames, children or pets. You can leave the can open, or pour the paint into a box of crumpled newspaper. Kitty litter also works well to help dry out empty paint cans.

1. **Reduce** waste by buying only as much paint as you need.
2. **Use** leftover paint by:
 - a) Painting a closet, garage, basement, attic, or some other out-of-the-way place.
 - b) Painting a primer coat (which will be covered with a final coat).
 - c) Mixing paints with similar colors (latex only). Don't mix interior with exterior.
3. **Return** any unopened (standard shelf color) paint back to the store for a refund.
4. **Donate** through www.freecycle.org . This is a free website for people or organizations to give away (recycle) unwanted items. Sign up for the local Gainesville group.
5. **Drop off** unopened or partially used cans to the **Household Hazardous Waste Collection Center, 5125 NE 63rd Ave, 334-0440** for recycling or reuse (free paint for Alachua County residents).
